Away in a Manger
fingerstyle ballada “ballad”

Verse 1:

```
   D          /              G          D
Away in a manger, no crib for a bed,
      A7          /             G                  D
The little Lord Jesus laid down His sweet head;
       D          /             G                  D
The stars in the sky looked down where He lay,
                                P   I M A   M   I
      A7          D       [ Em           A7 ]   D
The little Lord Jesus,   asleep   on   the    hay.
```

Verse 2:

```
      D          /             G        D
The cattle are lowing, the Baby awakes,
      A7                       G          D
But little Lord Jesus, no crying He makes;
  D                   /             G                  D
I love Thee, Lord Jesus, look down from the sky,
                                  P   I M A   M   I
       A7          D         [ Em           A7 ]   D
And stay by my cradle till morning       is     nigh.
```

Verse 3:

```
     D                /         G             D
Be near me, Lord Jesus, I ask Thee to stay
       A7         /             G           D
Close by me forever, and love me, I pray;
        D               /            G           D
Bless all the dear children in Thy tender care,

                                P   I M A   M   I
      A7          D       [ Em           A7 ]    D
And fit us for Heaven to live   with    Thee   there.
