Solfege – 1.3

If you have played piano, you will be familiar with this next section. These are the notes in the musical scale. Be familiar with them and **MEMORIZE** the chart below. **Do is C, Re is D, Mi is E,** ect... This can often be referred to as **SOLFEGE.** In America, this is not as common, but it is used almost everywhere else in the world. If you know this, you will have an advantage, and it will help you greatly later on.
