

Repeat Sign - 1.11

This is a repeat sign

When you see the repeat sign, it means to repeat the song. Yes, the repeat sign literally means repeat. It's that simple.

You have to pay close attention though because it could be anywhere in the song.

Let's use an example from the last song we just learned.

The first part of the repeat sign is at the beginning, and the second part is at the end. You will start the song, and when you get to the end, you will start the song over again from the first part of the repeat sign.
