Open String Excercise 9.5

All of the notes in the tab below are played using only the open strings. Memorize and begin to become familiar where each note is on the fret board as well as the name that corresponds to it.

Mi **La** **Re** **Sol** **Ti** **Mi**

E **A** **D** **G** **B** **E**

Now, play the exercise on the next page. The only notes that are used are the open strings on the guitar that we just played. However, pay close attention to the rhythm values**.**
